NCA Tuition Policy

NCA is a private non-profit charter school serving students from preschool through 8th grade.

It is important to educate the whole child and not focus solely on academics. We find it necessary to keep class sizes down to ensure teachers can adapt the curriculum to each student's strengths and needs. To achieve this, our goal is to have a minimum class size of 12 and a maximum class size of 18. However, the NCA Director is given authority to make exceptions for the minimum or maximum class size limits as deemed necessary and will notify the NCA school board when these circumstances occur. This low student teacher ratio has a direct impact on the school's finances since there are fewer children per classroom to help pay for teacher salaries and other costs of running the school. Our teachers are very dedicated to the school's philosophy and are willing to serve at a salary that is a lot less than what local public school teachers make. The sacrifice of our teachers and the commitment of our parents continue to make NCA an affordable Christian education option in our community.

The following policies are in effect for tuition, fees, discounts, and scholarships.

Tuition Payment:

All tuition payments are received and processed through NCA's Business Manager, Mrs. Tanko.

The tuition plan is as follows:

1. Full Payment (One Payment) - Due July 1st - any amount that is not covered by scholarships, such as the EdChoice Scholarship Program* is due at the date above. If you choose this pay in full option, you will receive a 5% discount off your remaining balance after scholarships have been applied.
2. Two Tuition Installments-Due July 1st & October 1st-any amount not covered by scholarships will be split up into two installments for the school year.

The tuition amount not covered by EdChoice is due on the selected due date. If payment is not received by the due date, a late fee will be assessed. **Payment made after the installment due date will result in a monthly late fee of \$50.00 and will be assessed to each student's account.** Payments later than 60 days will result in a student being withdrawn from our program. All families are responsible for meeting their tuition obligation to NCA on a timely basis. **If you cannot meet your tuition obligation, it is your responsibility to notify the BUSINESS MANAGER.** Families who are not current on their tuition may not register for the following school year until tuition obligations have been met. No official school records will be released for any student until all financial obligations are completed.

*EdChoice Expansion is an income-based program. It provides students in grades K – 12 the opportunity to attend a private school at no or a reduced cost. Scholarships for EdChoice Expansion are awarded based on the Adjusted Gross Income (AGI) of a family's household. If a family's household income is at or below 450% of the Federal Poverty Level, they will be awarded the maximum scholarship amount (\$6,165.00). If a family's household income is at or above 451 percent of the Federal Poverty Level, the student's scholarship award will be prorated based on the chart below.

Federal Poverty Level	Award Amount for Grades K-8	Federal Poverty Levels with Gross Annual Amounts								
		Number in Family/ Household	200%	450%	500%	550%	600%	650%	700%	750%

For students who withdraw prior to the school year starting from NCA, tuition refunds will be issued as follows:

Withdrawal on or before July 25th: 100% refund on your personal tuition installment

Withdrawal on July 26th-August 10th: 50% refund of your personal tuition installment

Northside Christian Academy Parental Support Agreement

Christian education involves the whole person; therefore, it is desirable that all aspects of education that a child receives be consistent and properly compliment one another. Northside Christian Academy was founded to educate the children of Christian parents. The school seeks to provide an educational experience that encourages children to become rooted in the Word, committed to Christ, and branch out to others with a genuine purpose. However, the school does not replace the training done in the home or the church. All three should be in Biblical agreement for a truly well rounded Christian Education for the child.

We _____, the parents of _____
do hereby pledge our support of the following:

1. We invest in the authority of the school to discipline our child as outlined in the Student Handbook.
2. We pledge our fullest cooperation to keep controversy out of the school at all times.
3. We understand that when warranted financial assessments will be made to cover damage to school property (including abuse of books and breakage of equipment, etc.), whether Intentional or accidental.
4. We commit to pray for Northside Christian Academy and to be supportive of the school board, administration, and staff.
5. We recognize that private education is in need of strong parental support, including events and activities throughout the year. We accept the responsibility of participating and volunteering when possible.
6. We understand and support Northside Christian Academy's Educational Philosophy and Mission Statements.
7. We understand and support Northside Christian Academy's Statement of Faith.
8. Should the time come that we are no longer in support of the Philosophy, Mission, or Statement of Faith, we will discretely and politely withdraw our child from Northside Christian Academy, understanding that payment will remain the responsibility of the family.

As a parent:

I agree to support the school with my prayers and with a positive attitude. Negative comments and complaints will only be shared with the teacher, administrator, or person involved as stated in Matthew 18. I understand that if any time the school determines, in its sole discretion, that my actions do not support the ministry or reflect a lack of cooperation and commitment to the home and school working environment, the school has the right to request a withdrawal of my child/children.

A Note from the Nurse

Vaccinations: It is required by the Ohio Department of Health that each student has on record up to date vaccinations. All students need to bring the most recent copy of their vaccinations. If you choose to decline vaccinations, please see me for a waiver form.

I will be providing a no-cost vision and hearing screening in the fall and on an as needed basis.

Medications: Prescription and non-prescription medications that may be given to your child while at school include Epipens, Benadryl, and inhalers. With each medication, a parent or guardian must sign permission, and the child's physician must fill out a care plan for the medication to be given. Please see me for these forms. **If your child has an allergy or medical condition**, please include this on the emergency medical form. Also remember to complete both sides of the emergency medical form including physician, preferred hospital, and permission to transport a child in an emergency situation.

In order to administer non-prescription medication at school, the medication to be given needs to be in a **brand new, never opened, bottle**. A form for the medication also needs to be filled out and is available at the front desk and also on our website (northsidechristian.academy/resources).
